Public Notice

Boyds Corner Road (SR896), Middletown Railroad Crossing Safety Improvements

The Delmarva Central Railroad Company, with support from DelDOT's Railroad Section, will perform railroad crossing safety improvements at DOT Crossing No. 531610Y in Middletown. The Delmarva Central Railroad Company, and their Subcontractors, will replace the existing railroad crossing surface, install new railroad warning signals, perform sidewalk modifications in the area of the crossing, make improvements to existing drainage, and pave the approaches to the crossing.

The work will require a full closure of Boyds Corner Road (SR896) at the Delmarva Central Railroad crossing with detours posted in the area. The westbound detour will direct traffic onto Cedar Lane Road to Marl Pit Road to Summit Bridge Road back to Boyds Corner Road. The eastbound detour will direct traffic onto Summit Bridge Road to Marl Pit Road to Cedar Lane Road back to Boyds Corner Road. The current schedule (weather dependent) will close Boyds Corner Road beginning March 10th, 2022 at 5:00 am. The road will be open by March 24th, 2022 at 10:00 pm. Some intermittent lane closures may occur before March 10th, 2022 to prepare for the work and after March 24th, 2022 to perform the final work items.

If you need further assistance or additional information, please contact the Office of Community Relations at 1-800-652-5600 (in DE) or (302) 760-2080 or sent via email to dotpr@delaware.gov.
